## ***The Latest Buzz:***

We are looking to fill **Open Committee Chair Roles** for next school year - thank you to those who have volunteered to help already for next year! Remember, we cannot run the many events and programs for our community, that help build and strengthen our community, if we don't have people in these positions willing to take on these roles. There are positions to suit all levels of time commitments for both working parents and stay-at-home parents. **All of these roles can be shared between 2 (or more!) people so consider grabbing a friend or two and helping run one of the events/programs looking for new Committee Chairs:**

### **2019/20 Chair positions:**

- Candy Bar Bingo Chair
- Calendar Raffle Chair
- Creative Arts Co-Chair
- Festival of Cultures Chair
- First Grade Cafeteria Chair
- Sunita Williams Green Team Chair

### **2019/20 Shadow/Apprentice Roles which will transition into 2020/21 Chair Role:**

- Treasurer
- Communications Email Blasts
- Enrichment Grants
- Walk/Bike to School

If you want more information as to what is involved in each of the positions please contact Vanessa Jones [vanessajones694@icloud.com](mailto:vanessajones694@icloud.com). We would love to have you join the team!

**Volunteer Needed to assist with the 5th Grade Slide Show!** The Slide Show will be presented to the children at the end of the Field Day festivities on **Tuesday, June 18th**. The show will be a collection of photos of the children over their years at Hillside. We are looking for one person to be responsible for soliciting photos from parents and establishing a venue for saving all photos in one location (google photos, dropbox, etc.). Historically, this slideshow has been a very memorable event for the children, and we would hate to not have one to share with the children this year. If we do not find a volunteer for this activity, there will NOT be a show. If you are looking for a way to give back to the Hillside Community, get involved with your children's 5th grade class, or simply have a knack for photos and technology, **we need you!** Contact Heidi Wiesel at [heidi.wiesel@gmail.com](mailto:heidi.wiesel@gmail.com) for further information.

**STILL Soliciting Donations for the Calendar Raffle!!** The Calendar Raffle Co-chairs **need your help** in collecting donated gift cards, items or experiences that Hillside students and families would enjoy winning during our raffle week in June. If you have a connection with any local businesses, please consider donating a gift certificate or prize to our raffle. Neighborhood gifts are also a big hit...consider gathering money with neighbors and purchasing a fun item like movie/dinner gift cards, Beats headphones, sports event tickets, etc.

Please **SAVE THE DATE** of **June 8, 2019** for our last **Spring Carnival!** We hope you'll join us as we say goodbye to Hillside in grand style with our "fun for the whole family" event. We'll have inflatables, dunk tank, baby zoo animals, cake walk, face painting and more! The event will be held from 4pm-7pm so plan on grabbing dinner at the Captain Marden's food truck and be ready to celebrate our last ever event at Hillside! The Spring Carnival will need a lot of volunteers the day of the event - please be on the look-out for the SUG. ***We are also looking for bakers for the cake walk.*** This is a beloved game that needs lots of cake - the more cakes the merrier our children! Please return the form at the end of the newsletter if you would like to buy or bake some cakes.

## **Upcoming Events**

**Hillside Night at the Red Sox** is this **Tuesday, 5/14** at 7:10pm. For those that have already purchased tickets for the Red Sox game next week, **tickets will be sent electronically via the Red Sox Ticket Toss system by Sunday (5/12) night.** *Please note, we have no extra tickets.* If you had not purchased tickets during our ticket sale period, we are not able to get more tickets

at this time. If, however, we get word of people that need to sell their tickets, we'll inform people through our FB page. Have fun cheering on the home team!

**FESTIVAL OF CULTURES** - Hillside is celebrating its 4th Annual Festival of Cultures on Friday, May 17th at 6:30pm in the Hillside gym. Come along to this FUN event to see the creative displays from the participating countries and sample the food offered! We currently have the following countries represented: **Mexico, Peru, Bulgaria, Poland, Armenia, Israel, China, Greece, England, Brazil, South Africa, Siberia/Russia, Italy, Thailand and India.** *We would love some more countries, especially a USA table which has yet to be showcased at the event!* If you would like to showcase your country and culture please return the attached flyer. If there are any questions please contact [hillsidefestivalofcultures@gmail.com](mailto:hillsidefestivalofcultures@gmail.com).

**CALENDAR RAFFLE** - This year, the raffle will run from **June 3rd – June 7th**, with prizes awarded every school day. Raffle tickets will be sold ahead of and during the week, so that everyone in the community will have an opportunity to try and win the donated prizes! This annual fundraiser helps the Hillside PTC raise much needed funds to support the PTC-sponsored enrichment programs. It also offers participants the opportunity to win some great prizes. Please be in touch with Jen Schaffstein at [leonardschaffstein@yahoo.com](mailto:leonardschaffstein@yahoo.com) with ideas, connections or items.

**Mark your Calendars!** The next **PTC Meeting** is **May 21st** at 7:15pm in the Hillside Gymnasium. In addition to updates on the latest PTC happenings, we have **guest speaker Kerry Hurwitch, a.k.a Tech Mom**, who will be sharing her knowledge on how we can best “**Manage Technology In Our Homes.**” which includes info on **screen time limits, parental controls, and kid-safe browsers.** In addition, Mr. K will be sharing a slideshow on the most recent **construction developments** at the **Sunita L. Williams School and the transition** that will take place in moving Hillside over to the new building. There will be many important details shared so you won't want to miss it. Please be sure to join us!

### PTC Fundraisers

**Amazon Smile:** When you shop Amazon, be sure to shop via the Amazon Smile link and designate the Hillside Parent Teacher Council Trust as your charity of choice. Amazon will donate a portion of their proceeds back to the PTC every time you purchase eligible items. It takes very little effort, but the pay-off for the PTC is great!

### Seeking Volunteers - Current School Year

The PTC depends very heavily on parent volunteerism and cannot operate without volunteers. We are fortunate to have many very dedicated parents who step up each year to run committees, but **we are always looking for more help!** Below are some great volunteer opportunities we hope you will consider:

**More 1st Grade Cafeteria Volunteers Needed:** As we head into the last 2 months of school, we are short on lunchtime help and are asking if you can sign up, please do so! It makes a huge difference for the cafeteria workers and first graders, and provides a great opportunity to interact with your student and all their classmates during the day. Thank you to all of you that have volunteered so far! To sign up, either contact Ilana Kaufman at [kaufman.ilana@gmail.com](mailto:kaufman.ilana@gmail.com) or go to the Sign up Genius [link](#).

**OPEN POSITIONS:** As you have read above, we are looking to fill the Chair/Co-Chair positions for the **2019-2020 School Year**. If you would like more information on any of these volunteer roles please contact Vanessa Jones ([vanessajones694@icloud.com](mailto:vanessajones694@icloud.com)).

## More Hillside News...

### **NEF Approves Grants!**

Literacy Specialists, **Carol-Ann Hurley** and **Aly Schenker**, and classroom teacher, **Raylene Roberts**, recently received news that their NEF grant request to design a twenty-first century bookroom was approved this spring. Funds will be used to organize, label, and improve accessibility to school-owned texts in ways that support the needs of all students. The team appreciates the funding and support provided by the NEF and is excited to begin this work this summer.

## Helpful Advice From Mrs. Greiff

### **Spring Has Sprung... Here are a few helpful reminders:**

Many of our students are starting to feel some effects of seasonal allergies. There are a broad range of symptoms which may include:

- Sneezing
- Runny nose (Clear)
- Nasal congestion
- Itchy, watery, red eyes
- An itchy throat
- Dry cough
- Disturbed sleeping patterns
- Loss of taste and sense of smell

If your child has experienced any of these symptoms in past years, this may be a good time to check in with your pediatrician to discuss a treatment plan for seasonal allergies.

### **Tick Removal**

Examine your children frequently for ticks, especially after they have been out in wooded or grassy areas. If you find a tick attached, there's no need to panic. There are several tick removal devices on the market, but a plain set of fine-tipped tweezers will remove a tick quite effectively.

### **How to remove a tick**

1. Use fine-tipped tweezers to grasp the tick as close to the skin's surface as possible.
2. Pull upward with steady, even pressure. Don't twist or jerk the tick; this can cause the mouth-parts to break off and remain in the skin. If this happens, remove the mouth-parts with tweezers. If you are unable to remove the mouth easily with clean tweezers, leave it alone and let the skin heal.
3. After removing the tick, thoroughly clean the bite area and your hands with rubbing alcohol, an iodine scrub, or soap and water.

### **Signs and Symptoms of Lyme Disease**

If you had a tick bite, live in an area known for Lyme disease or have recently traveled to an area [where it occurs](#), and observe any of these symptoms, you should seek medical attention!

- Red, expanding rash called erythema migrans (EM)
- Fatigue, chills, fever, headache, muscle and joint aches, and swollen lymph nodes

Some people may get these general symptoms in addition to an EM rash, but in others, these general symptoms may be the only evidence of infection. Some people get a small bump or redness at the site of a tick bite that goes away in 1-2 days, like a mosquito bite. This is not a sign that you have Lyme disease.

## **Erythema migrans (EM) or "bull's-eye" rash**

- Rash occurs in approximately 70-80% of infected persons and begins at the site of a tick bite after a delay of 3-30 days (average is about 7 days).
- Rash gradually expands over a period of several days, and can reach up to 12 inches (30 cm) across. Parts of the rash may clear as it enlarges, resulting in a "bull's-eye" appearance.
- Rash usually feels warm to the touch but is rarely itchy or painful.
- EM lesions may appear on any area of the body.

## **Bike Safety Tips**

We can make bicycling safer for all by observing the following safety tips:

- Always wear a helmet
- Obey all traffic controls
- Ride your bicycle near the right-hand edge of the road
- **Never carry another person on your bicycle**
- Always use hand signals when turning or stopping
- Look out for cars at cross street, driveways, and parking places
- Be careful when checking traffic and don't swerve when looking over your shoulder
- Give pedestrians the right-of-way
- Keep your bicycle in good condition
- Always ride carefully

**The NHS Habitat for Humanity Club** students and supervisors will be hosting our first annual Parent Night Out event on Saturday, May 11th, from 4:30 - 8:30 pm in the B Gym at Needham High School for children ages 4 - 11 years (Pre K - 5). Drop off your child for a night of games, crafts, pizza and a movie (SHREK). Cost is \$25 per child, \$40 for two children and \$50 for three or more children. Complete the form to register now as spaces are filling up fast (Limited to 75 max).

## **First Lego League Informational Meeting**

May 14, 6:30 PM to 8:00 PM, Needham HS, Room 112

On May 14th, The Needham HS Robotics Club is hosting First Lego League (FLL) Night for kids from 5th to 8th grade who are interested in robotics to learn about the FLL program and to connect with local FLL teams! All who attend will be given a tour of Needham's innovation lab, the Da Vinci Workshop, and have the opportunity to see current FLL teams present their robots and demonstrate what FLL is all about. Parents and students can learn about the FLL program and start forming teams. FLL is a parent-run program, so some parents are needed to coach the teams (no experience necessary). We'll also offer students the chance to build their own robots with LEGOs and pre-programmed robot controllers as a fun challenge for all, no prior robotics experience required.

## **Liven Up Your Summer -- Care for a Science Center Animal**

Do you have a soft spot for a critter that's furry, feathered, or scaled? The Science Center is looking to adopt out our live animals over summer break. We'll give you training, written instructions, and an initial food supply. Adoption months will be approximately mid-June through mid-September. For more information, contact the Science Center:

[sciencecenter@ka12.ma.us](mailto:sciencecenter@ka12.ma.us). Or, call the Newman School and ask to be transferred to the Science Center: 781-455-0416.

Register for Summer Reading!

A Universe of Stories

May 1-July 29th

Sign up for Summer Reading at the Children's Desk of Needham Free Public Library or call 781-455-7559 x 204. Registration begins May 1. Sign up through June 29th. Read and log the time spent reading in a paper or online reading log starting June 24th -August 9th. Earn prizes. This year's theme is outer space. Paper rockets on the Children's Room bulletin board representing each school, will be racing towards a distant planet. Which rocket will arrive first and win the Race in Outer Space? The more you read, the faster and further your school's rocket will go! Get a brag tag and neck chain when you sign up. Receive 4 pony beads to put on your neck chain for every 2 hours of reading you do. The more you read, the more specialized beads you can collect. Watch out for strange UFO sightings around Needham! Enjoy performers, workshops, STEAM activities, movies and more June 24th-August 12th!

Summer Learning at Needham Free Public Library

Grades K-5

Summer is about reading - and math and science and having fun! We have long known about the "summer slide" in reading. When children don't read over the summer, they lose skills and vocabulary and have a harder time in the fall. However, the same is true for forgetting math skills, or what they learned in science class. Explore the web links for Summer Learning on the Needham Free Public Library's web page

[www.needhamma.gov/library](http://www.needhamma.gov/library)

where children can hone their skills and retain what they have learned in school over the summer months through fun and engaging online activities.
