News from Dr. Maloney

"Great achievement in learning emerges from a supportive environment." -Reed Markham

As I write this, I am in the middle of my second day as "substitute principal" at Hillside School. You may have already seen me directing traffic! It has been a pleasure to join such a warm and inviting community where everyone embraces "work hard and be nice." Greeting your children as they arrive in the morning and observing them in their

classrooms underscores the joy of working with elementary students and I look forward to getting to know them over the next few weeks. They have been very welcoming: waving and smiling when they see me, answering my questions in the classroom, singing to me in the hall and explaining the rules of GaGa Ball on the playground. It is also a privilege to work with such a caring, creative and knowledgeable faculty and staff. Finally, I have had the good fortune to meet some parents and hope to meet more of you before I leave in November. Please feel free to stop

by my office when you are in the building or introduce yourselves during drop off and pick up.

I hope you have a chance as a family to get out and enjoy the fall weather, one of the joys of living in New England.

Thank you to **Rob Tatro** and **Seema Meloni** for launching **Hornets Buzz Across America** last Friday!!! Thank you also to all of the parent volunteers for helping make the first day of the **Hornets Buzz Across America** a huge success! *Buzz Across America* encourages kids to be healthy and begin their days with a little movement. The Hillside Hornets will work collectively to buzz themselves across America. The Hornets will start in Needham, MA and "travel" to California, with possibly a few "stops" along the way. Each student can contribute miles to the journey by earning popsicle sticks. There are three ways to earn popsicle sticks: (i) run laps around the Hillside field on Mondays and/or Friday mornings at Morning Mingle and earn 1 popsicle stick for each lap; (ii) walk/bike to school any day and earn 2 popsicle sticks; and/or, (iii) participate in the **Hillside Trick or Trot on Sunday, October 29th** and receive 10 popsicle sticks for participation in the Monster Fun Run and 50 popsicle sticks for participation in the 5K. The journey will be plotted on the map located in the Hillside Lobby, so watch for our progress! **In addition, we are in need of parent volunteers to help on Mondays and Fridays at Morning Mingle. To volunteer, please sign up at <http://www.signupgenius.com/go/20f0c4cacad22a5fa7-hornets>. Any questions, please contact Seema Meloni @ seema.meloni@gmail.com.**

MARK YOUR CALENDARS for this year's **Scholastic Book Fair: Tuesday, November 7 through Thursday, November 9, 2018** during school hours. Check your child(ren)'s backpack for a packet of information about the Scholastic Book Fair- coming soon! We are happy to welcome the Scholastic Book Fair to Hillside School again this year. Scholastic is known for their outstanding, award winning selection covering every interest and reading level. On Tuesday, November 7th, each class will be invited to preview the fair and create a WISH LIST to be sent home. The students will return to the fair on Wednesday November 8th and Thursday, November 9th, and have the opportunity to make purchases. ****In addition: Parents and students can also shop on November 8th from 6:30-8:00 p.m. during the Literacy Night.****

Please note: Each teacher will be making his/her own Wish List of books; families are encouraged to donate books directly to teachers from their Wish Lists.

Our annual book fair has proven to be a favorite for students and family members, along with our faculty. This fundraiser serves as a fun, interactive and educational way to encourage our children to read. This is also a great way to support Hillside and to get a head start on holiday shopping!! Please look for an email from room parents with information on the date and time your child will attend the fair and how you can volunteer to help out. Questions? Please contact Joanna Herrera joannarherrera@gmail.com.

Hillside & Community

MESSAGE FROM HILLSIDE CARES: Again this year, the PTC is teaming up with 3rd grade to make deliveries to the Food Pantry at the Needham Community Council (NCC). For the **month of October**, the pantry is especially in need of soups of all kinds, bath soap, tissues, coffee, tea, white kidney beans, chick peas, canned seafood, honey, jelly, olive oil and rice mixes. Individual sizes are preferred to bulk or family size packaging. Please bring your donation to the boxes in the hallway outside the cafeteria. See <http://needhamcommunitycouncil.org/food-pantry/food-wish-list/> for more information about Needham Community Council. **In addition, we need help with deliveries to NCC!** Please contact Sarah Burns at sarahmag18@yahoo.com if you can pick up a few bags and boxes from Hillside and deliver them to NCC on Oct 26 or Oct 27 before 4pm.

Needham Education Foundation: Bring your ideas! NEF Accepting Fall '17 Grant Applications. At Hillside, the NEF (Needham Education Foundation) has provided funding for culturally diverse classroom libraries, a visit from author Gregory Mone, and math backpacks for kindergarteners. Do you have an innovative idea to enhance your child's learning experience or the school community?

The NEF is now accepting applications. Small grant applications for up to \$5,000 (\$3,000 per school for multi-school grants) are due October 17th. New this year, large grant papers (up to \$15,000) will be due in January.

The NEF continues to offer two additional options to ease the small grant application process: (1) Express Grants allow applicants to apply for a program already funded by NEF at another school; (2) Multi-School Grants allow schools to apply together without the constraints of the small grant funding limit.

Any Needham Public School educator, administrator or community member — including students and parents — is eligible to apply. Contact Sena Hsu (your NEF school rep) or Sam Bookston, Joanna Herrera, Michelle Hoffmeister, Christopher Lee or Seema Meloni (NEF Board members who have children in your school) if you have any questions or would like guidance. To see what the NEF has funded in the past and to apply online, please visit <http://www.nefneedham.org/grants/>.

Screening of "Race to Nowhere". The Needham Education Foundation and the Needham School PTCs invite you to come and see a screening of "Race to Nowhere" on **Thursday, October 19th, 6 pm @ Pollard**. "Race to Nowhere" calls us to challenge current thinking about how we prepare our children for success. Featuring the heartbreaking stories of students across the country who have been pushed to the brink by over-scheduling, over-testing and the relentless pressure to achieve. Through the testimony of educators, parents and education experts, it reveals an education system in which cheating has become commonplace; students have become disengaged; stress-related illness, depression and burnout are rampant; and young people arrive at college and the workplace unprepared and uninspired. The movie will be followed by a panel discussion. This event is free and is open to the Needham community. To register for free tickets, please click on <https://www.eventbrite.com/e/race-to-nowhere-free-screening-panel-discussion-tickets-37665146467>.

Needham Child Assault Prevention (CAP) Program Seeking Volunteers: Are you someone that believes that all children have the right to be "Safe, Strong and Free?" If so, then join our dynamic team of trained CAP volunteers who are committed to teaching children in the Needham Elementary Schools the skills that they would need to stand up for themselves if faced with a situation involving verbal, physical or sexual assault. We are now accepting applications for the 2017-2018 school year. The next training begins on **October 29th**. For more information or an application, please visit our website at www.needhamcommunitycouncil.org or contact Caren Nemtzwow, Director, at 781-444-2415, ext. 2120 or cnemtzwow@needhamcommunitycouncil.org.

SEPAC Educational Presentation on Thursday, November 2nd at the Broadmeadow School Media Center. Refreshments will be served at 7:00pm and the program will start at 8:30pm and end at 9:00pm.

Quirky, Confident, Quiet... or Cause for Concern? **Understanding Social Development in Children**

Social competency provides the foundation for personal and professional relationships throughout our lives. Children who lag behind their peers in developing social skills can struggle in and out of the classroom. Presenter Alison Ratner Mayer will provide an overview of social development in children, discuss warning signs that a child

might need extra help, and share strategies for parents to support skill development.

Alison Ratner Mayer, LICSW, is a Needham-based child and adolescent therapist who specializes in running social skills group therapy for children, teens, and young adults ages 4-22.

Seeking Volunteers

The PTC depends very heavily on parent volunteerism. We are fortunate to have many very dedicated parents who step up each year to run committees, but we are always looking for more help! Below are some great volunteer opportunities we hope you will consider:

Seeking 1st Grade Cafeteria Volunteers: Parent volunteers help the students get through the lunch line more quickly so that they have ample time to eat and help the 1st graders learn to clean up before the next lunch shift comes in. You can sign-up for as many or as few days as you can offer. To sign up, either contact **Erin Ellis** at erinellis03@gmail.com or go to the Sign up Genius link: <http://www.signupgenius.com/go/8050d4badaa22a31-first1>

To ensure you get all our future updates, please LIKE us on Facebook (Hillside Elementary School PTC) and register your information through our website www.HillsidePTC.org so that you will receive our email blast.

Notes From the Nurse: It's All About the Clothing

You may want to leave an extra change of clothing in your child's locker for all kinds of mishaps that can happen in school and on the fields. I have a limited supply of clothing in my office for such mishaps, however; I could use some boys and girls underwear, elastic waist pants and some basic shirts if anybody would like to donate. Thanks.
